ScanSnap

shaping tomorrow with you

COMPARE AND CHOOSE THE SCANSNAP FOR YOU!

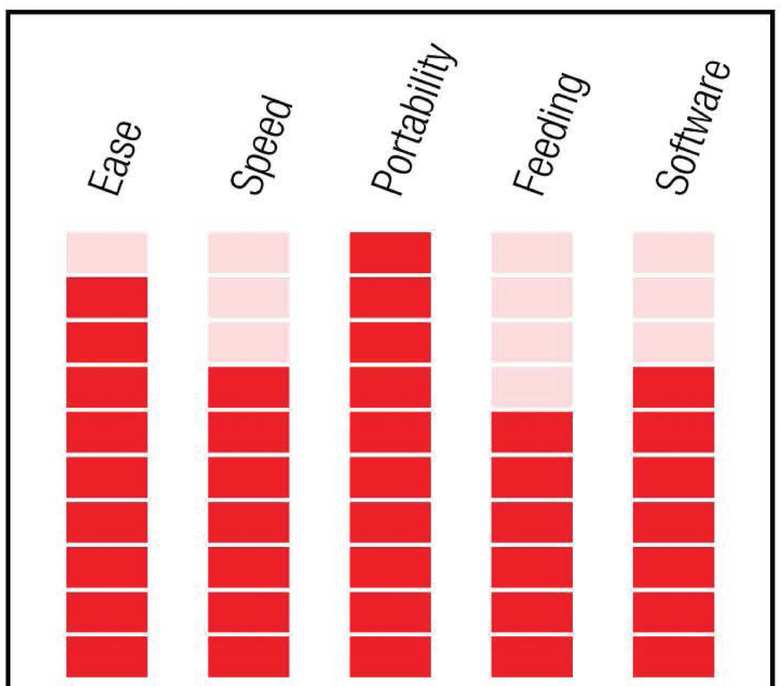
EASE-OF-USE
All ScanSnap models offer intuitive features like one-button-to-PDF. In addition, the S1300j, S1500 and S1500M* models include automatic document feeding.

SCAN SPEED
ScanSnap is quick, with normal mode speeds of 20 pages-per-minute (ppm) for the S1500/S1500M*, 12ppm for the S1300i , and 7.5 seconds per page for the S1100!

COMPACT PORTABILITY
All ScanSnap models are easily portable, with the S1100 leading the pack at under 1 lb. and less than 2 in. tall!

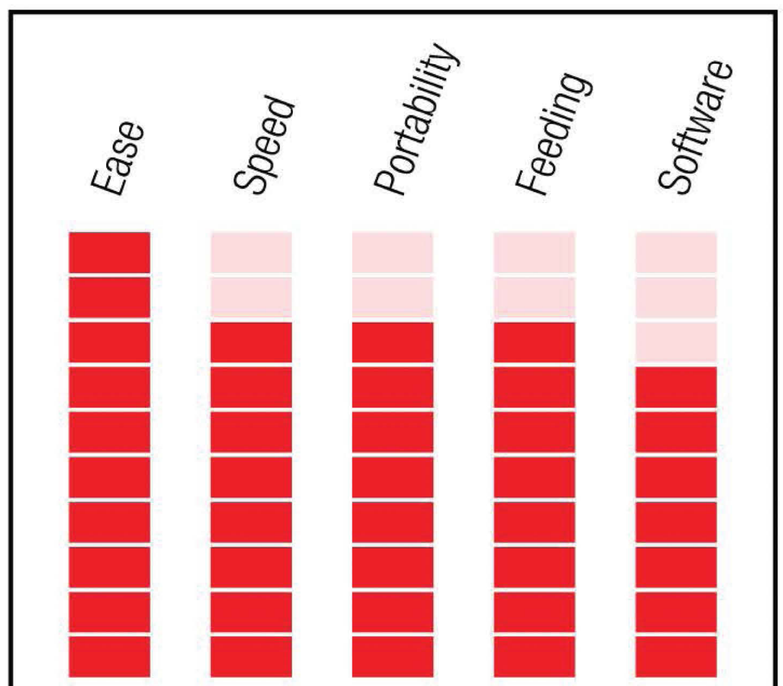
DOCUMENT FEEDING
ScanSnap S1500 and S1300i have automatic feeders for batches of double sided pages. The S1100 has a one-page-at-a-time feeder that can even handle embossed plastic cards.

SOFTWARE BUNDLE
All ScanSnap models come with an impressive set of software to make you more efficient. The S1500 and S1500M* even come with a full version of Adobe® Acrobat®.



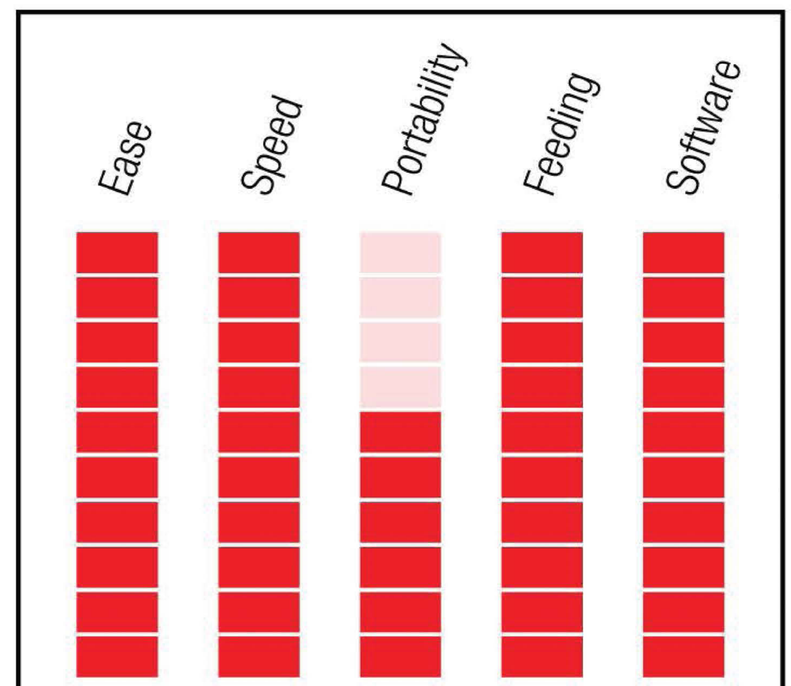
S1100

ScanSnap it on the road! A single USB cable is all you need to power the ScanSnap S1100 and digitize your documents anywhere, anytime! It's the ultra-portable document capture solution for the information age nomad. And ScanSnap S1100 lets you scan documents directly to the cloud, so you can be paperless and efficient wherever you need to be!



S1300i

ScanSnap it from home! This multi-page double-sided colour scanner for PC or Mac is so compact you can put it almost anywhere! The 10-page automatic document feeder (ADF) scans both sides of each page at up to 12pages per minute. ScanSnap S1300i automatically recognizes the paper size, corrects for skew, and shows images in their proper orientation with blank pages removed.



S1500 & S1500M*

ScanSnap it at your desk! With its 50-page automatic document feeder, this sheet-fed scanner gives you fast performance at up to 20 pages per minute in colour or greyscale. Its automated features make it your quickest and easiest personal desktop scanning solution. ScanSnap S1500 and S1500M* come with a full version of Adobe® Acrobat®—a "best value" software and hardware bundle.

**S1500M is Macintosh-compatible.*
